WELCOME TO

GRASS SKI VEZZENA2026

For the fourteenth consecutive year, the Levico Ski Club, in collaboration with the FIS, the FISU, Lavarone Ski, the support of the municipalities of Lavarone, Levico Terme and Luserna Lusérn, the APT of AlpeCimbra and Valsugana Lagorai, the Comunità Alta Valsugana and Bernstol, the Magnifica Comunità degli Altipiani Cimbri, the Bim Brenta, the Cassa Rurale Alta Valsugana and Avis Levico Terme, is organizing four grass skiing races on July 24, 25 and 26, 2026, for the specialties of slalom and giant slalom, valid for the Italian stage of the FIS Junior Cup and the International Children's Cup (International Youth Cup). At the same time, the FISU has assigned us the Italian Children and Baby/Cuccioli SL and GS Championships and a stage of the Talento Verde (Italian Cup) of Grass Skiing. The races will take place at the Erba Ski Center managed by the Levico Ski Club in Rivetta Luserna Lusérn and on the Vezzena slope at Passo Vezzena Levico Terme. The best grass skiers in the world will be present, hailing primarily from Austria, Germany, the Czech Republic, Slovakia, Sweden, Switzerland, and, of course, Italy. The delegations are scheduled to arrive on Friday, July 24th, accompanied by approximately one hundred athletes and their companions, coaches, and athletic trainers. Free practice runs will be available until 12:00 in the morning. Competitions will begin in the afternoon, with the slalom for the International Children's Cup, which also counts toward the Italian Children's and Baby/Cuccioli Championships and the Talento Verde stage. On Saturday the 25th, the giant slalom for the International Children's Cup, which also counts toward the Italian Children's and Baby/Cuccioli Championships and the Talento Verde stage, will take place. In the afternoon, the FIS Junior Cup will feature a sprint slalom. On Sunday the 26th, the second sprint slalom for the FIS Junior Cup will take place. Awards will be given at the end of each day. This time, too, we will pursue the goal of portraying to the world the most beautiful image of Italy, Trentino, Levico Terme, and our valleys, and, of course, the healthy values that the LEVICO SKI CLUB fosters for youth sports.
